

## **Guide to Resources**

The matzah raft loves to travel in the weeks before Passover. Schedule a visit at your school to Search! Sing! & Stomp! Let's talk about which program suits your crew best. Email me at [carol.levin@gmail.com](mailto:carol.levin@gmail.com) or send a text to 646-246-3069

## **Games & Activities Help Tell the Story**

### **Haggadah Cards**

1. Print eleven pages, glue the sheets of paper to poster board & cut into forty-four cards.
2. Scatter the cards face up over the raft around a box or basket. (the place where we put the cards as the Haggadah unfolds.)
3. Ask the crew to listen to the stories and find the card when they hear the character's name.
4. Whoever finds the card, gets to show it off and then stash it away when the reader turns the page.
5. All cards must be found before the raft sails home.

### **Stomp! Sign**

Print a number of signs & glue them to poster board. It's fun to have several to raise when we stomp and to hide when it's time to stop stomping.

### **Seder Placemats**

Print, color with markers & laminate. Use the placemats to talk about why the characters are in the Haggadah. There are two placemats, *Where am I?* and *Who am I?*
